Reviews

This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)

CARNAL ACADEMY: ON THE TRAIL OF AN ACADEMIC PREDATOR

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Carnal Academy, with its zany faculty members and students, is a story of two women new to university life, and their fight against evil: their department director, Dr. Stanley Howler. Dr. Adabelle Goldstein and Dr. Tess Kenicott are hired to build a new professional social work program within the halls of academe. Adabelle and Tess are soon sucked into a whirlpool of university madness, with its dishonesty, incompetence, and just plain tomfoolery. Their boss, Dr. Stanley Howler, is an avid golfer, seldom seen on and off the golf course without two golf balls in his hand. Golf helps him round out his respectable professional roles of scholar and teacher. Soon his villainous side is exposed. When golf balls are found at the scene of a Peeping Tom incident, he is a suspect. Evidence of Dr. Howler's nefarious enterprises mounts. Carnal Academy is a satire, a mystery and a story of how two women realize their strength as they fight against the wickedness of an egomaniacal sexual predator.
