According to Time magazine, Pakistans President Pervez Musharraf holds the worlds most dangerous job. He has twice come within inches of assassination. His forces have caught more than 670 members of al Qaeda in the mountains and cities, yet many others remain at large and active, including Osama bin Laden and Ayman Al Zawahiri. Long locked in a deadly embrace with its nuclear neighbor India, Pakistan has come close to full-scale war on two occasions since it first exploded a nuclear bomb in 1998. As President Musharraf struggles for the security and political future of his nation, the stakes could not be higher for the world at large. It is unprecedented for a sitting head of state to write a memoir as revelatory, detailed, and gripping as In the Line of Fire. Here, for the first time, readers can get a firsthand view of the war on terror in its central theater. President Musharraf details the manhunts for Osama and Zawahiri and their top lieutenants, complete with harrowing cat-and-mouse games, informants, interceptions, and bloody firefights. He tells the stories of the near-miss assassination attempts, not only against himself but against Shaukut Aziz (later elected prime minister) and one of his top army officers (later the vice chief of army staff), and of the abduction and beheading of Daniel Pearl -- as well as the forensic and shoe-leather investigations that uncovered the perpetrators. He details the armys mountain operations that have swept several valleys clean, and he talks about the areas of North Waziristan where al Qaeda is still operating. Yet the war on terror is just one of the many headline-making subjects in In the Line of Fire. The full story of the events that brought...
