Brand New Book ***** Print on Demand *****.The Chariot of the FleshBy Hedley PeekA Superman is born.Classic Fantasy Sci-Fi So the years went by, and the reports of wonders became more numerous and more confusing. Some said that they had language conveyed to them, which as yet they could hardly understand, and that this happened even when their eyes were closed and no person was near to them. A few even believed that they could partially understand this language, and these were placed under restraint as madmen. During all this turmoil, a child was born, which grew up fair and beautiful to look upon. None taught him, yet he became exceeding wise, though his knowledge was not the knowledge of the savants. He was born with the power of hearing developed, and soon learned the fairy language; and the bright spirits taught him more wisdom than was to be found in all the books of his world. But when he tried to convey to those around the glory of sound, the sweetness of the fairies songs, the whispering melody of the leaves when the wind played with them, or the ceaseless music of the waves, he found that there were no words in the language capable of expressing his meaning, and had to try by parables to give even a faint idea of the inexpressible. Moreover, most of his companions mocked him, but a few listened, even those who had some foretaste of his gift, and these believed that he was a god.
