BY THE SOUND

Black Sparrow, USA, 1991. Paperback. Book Condition: New. 200pp . [In stock in Australia, for immediate delivery] In a brief preface to this, his only novel, Ed Dorn describes *By the Sound* as 'A sociological study of the basement stratum of its time: the never-ending story of hunger and pressing circumstance in a land of excess'. Their problem is that the work they find is seasonal, done for meagre wages on large fruit farms; during the winter they must visit the employment office, where they wait in line, fill out forms, and only seldom find jobs. When they do work, their jobs pay only...
