Vitae Mind Publishing. Paperback. Book Condition: New. Paperback. 196 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. The Universe is filled with an endless source of energy that communicates and interacts with all form; both living and non-living. This energy force connects all mankind to one another and to the rest of the physical world. It also connects us through our intentions and thoughts. Since energy is everything (including our thoughts), we create the world we live in through the intention of what we think. When human thought interacts with energy, it can alter form. It can do everything! It can create anything! Positive or good energy restores and heals. Negative or bad energy causes damage and illness. The levels of energy we carry can be measured by the light and frequency we emit. The right combination of thought and energy can spontaneously heal any illness in living form. It can also spontaneously materialize any non-living form. Even science is starting to embrace these concepts through Einsteins theory of relating energy to mass, and through the study of quantum physics. Imagine the space around you buzzing with energy containing particles, information and knowledge. It can do anything. It can be anything. However, it needs to be told what to do; what to be. Now picture yourself as being the master of that energy. You hold the power to tell it what to do; what to become. It is the power of your thought that comes from deep within your divine self. Think of an orchestra comprised of many individuals and their instruments. They are ready to play, but they dont know what to play, and they dont know how to interact with each other. It is only when the conductor arrives to direct them that beautiful music materializes. Once you fully understand...
