Brand New Book ***** Print on Demand *****.You've been to doctors, you've been diagnosed, and now you are at home with a bag full of drugs and no hope. You are tired and in pain that comes both from everywhere and from nowhere. Welcome to the world of fibromyalgia. The same thing happened to me, but I found the cause of my fibromyalgia and then went on to find a cure. So the message of this book is that you might not have to live with fibromyalgia! This is not a how to cope with fibromyalgia book. In layman's terms, I share my personal experience with the condition.
