## Potted Gardens: A Fresh Approach to Container Gardening

By Cole, Rebecca

Clarkson Potter, 1997. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Rebecca Cole--once an actress/activist and now the owner of the trend-setting Greenwich Village store Potted Gardens--introduces a whole new way to garden. In a chapter on terraces, she turns to the great outdoors, explaining the design and creation of complete gardens made up of containers, artfully arranged to make the most of small spaces. And all along the way she shares her own experiences with breaking all the rules to achieve ebullient flowering displays. With nearly 200 spectacular photographs, illustrated step-by-step instructions on how...
