

Diseases of the Heart: Diagnosis and Treatment (Classic Reprint)

By David Wooster

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Diseases of the Heart: Diagnosis and Treatment In writing the following pages, I have been scrupulously careful not to place my own unsustained assertions in opposition to the results of clinical demonstrations or extreme probabilities. I have also endeavored to give the anatomy, or topography, of the structures under consideration, with as much accuracy as possible. There are no such obstacles now, in the way of writing intelligibly on diagnosis of diseases of the heart, as there were even twenty-five years ago. If medicine has not yet become a science, it has, at least, so far advanced as to recognize its own defects, and to be conscious of its absolute knowledge. Physicians now know where their knowledge ends and their theories begin; and in this they are far in advance of their forefathers. My aim has been to limit myself, as closely as possible, to known facts, and to indulge in no idle speculations, for the purpose of introducing some favorite theory of my own, in order to make myself seem original. I need not...

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.

-- **Tobin Lesch**
