

Medicinal Remedies

By Kathy Pratt

iUniverse, United States, 2006. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Kristy Petersen's transition from compassionate nurse to mercy killer is insidious. She suffers burn-out as a critical care nurse. What finally pushes her over the top isn't one individual thing, but a compilation of family, romantic and work stressors. Add to the mix her growing concern for the habits of modern medicine in keeping alive elderly people and others with terminal illnesses. When a patient dies accidentally through omitting medication needed to keep her alive, Kristy is surprised at how powerful she feels. She convinces herself she's being merciful by allowing her patients to die. The next step to active mercy killing is inevitable. Being caught, convicted, and sentenced to prison does nothing to rehabilitate her. After serving a small portion of her sentence, she is paroled. But just before leaving, she commits an act that will result in the death of an inmate. However, she takes great pains to assure that she won't get caught this time. So much for rehabilitation.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- **Prof. Arlie Bogan**

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
