New Page Books. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.9in. x 5.9in. x 0.8in. You've probably heard of The Secret. Now it's time to make The Choice. There is a great shift coming in the near future. We can all feel it. But what does it truly herald for the planet we inhabit? Is there reason for concern about the apocalyptic prophecies of the Mayan calendar, and is there an underlying physics driving these changes? How do planetary alignments and astronomical events such as the ones predicted for 2012 affect your consciousness? And most importantly, what can each of us do to influence this coming shift in both consciousness and physical reality? New York Times best-selling author Mike Bara examines all these questions and many more in The Choice, which also includes: Detailed descriptions of a revolutionary new theory of physics that proves the theory behind The Secret. How to use your own inner light--the power of your mind and spirit--to influence the physical world. How governments the world over are preparing for the coming decade of change. How to determine your place in the Next Age. If we can truly make this world into anything we want, which path will we choose? This item ships from multiple locations.
